

THE MYOFOCUS MASTERCLASS IN MYOFUNCTIONAL TREATMENT OF PAEDIATRIC MALOCCLUSION

Join Dr Donny Mandrawa and Dr Dan Hanson with 5 of the most experienced Myofocus Doctors who will present interesting cases which have been treated using Myofocus Protocols.

WHY SHOULD YOU ATTEND?

Whether you are new to myofunctional orthodontics, or whether you are an experienced practitioner, this is a great chance to learn from the experience of some of the best Myofocus myofunctional orthodontic practitioners in Japan. Many of these practitioners have been doing myofunctional orthodontics for many years. However, in the last 2 years they have introduced new and innovative protocols such as the trademarked Myofocus ‘Take Off’ OMT system and the Myofocus philosophy of a collaborative inter-disciplinary approach to care, using a number of different appliance systems.

WHO WILL BE PRESENTING?

Dr Dan Hanson

Dr Donny Mandrawa

Dr Yuki Kimura

Dr Kotaro Tomiyama

Dr Keisuke Inoue

Dr Kazuki Sekiguchi

Dr Hidehiro Abe
